## Letter From the President

Dear Members,

The 2014-2015 TAPL session has begun, and I am beyond honored to be serving as the President of TAPL for the upcoming year. More importantly, I am thankful to be serving on the Board of Directors alongside such a diverse and experienced group that will certainly lead our organization through another successful year.

Our organization has grown and prospered on a continual basis over recent years, and I am a firm believer that our leadership on the board and its committees has been an integral part of that success. To that end, I would like to thank our previous board of directors on another successful year. Last year our association established and began contributing to endowment funds for the benefit of Energy Management scholarship recipients at both Tulsa University and the University of Oklahoma. Our membership has continued to stay active philanthropically by donating to Toys For Tots and volunteering at the Community Food Bank, while our ever-popular golf tournaments allowed us to donate to local charities. TAPL's new website is now fully functional, allowing for the entire membership to enjoy its capabilities, efficiencies and aesthetics. Finally, our membership has grown to over six hundred, a milestone that I know we can continue to build upon.

As I mentioned earlier, none of this would have been possible if it was not for those who served on our previous Board of Directors. In turn, I would like to thank our retiring board members: Lawson Vogel, JJ Chisholm, Dwayne Allen, Karen Laughlin, Curtis Johnson, and Jack Taylor. While we are losing some very valuable members of our group, I am certain that our new board will live up to its predecessors. Please join me in welcoming our 2014-2015 TAPL Board of Directors:

Robert Sher: Past President  
Andrew Grimm: Secretary  
Jessica Campbell: Membership Director  
Wink Kopczynski, III: Events Director  
Stephen McNamara, Jr.: Education Director  
Hamel Reinmiller: AAPL Director

Raegan Schaffler: Vice President  
Bill Holder: Treasurer  
Harriet Connolly: Communications Director  
Russ Hargrove: Benefits Director  
Mike Knapp: External Affairs Director

Our new board has already hit the ground running by preparing for a multitude of events that will occur within the next several months. We will usher in the new session with TAPL's 65<sup>th</sup> Anniversary Party at Cain's ballroom on September 5<sup>th</sup>. Please do not forget to renew your TAPL membership so that you and your significant other can join us in the celebration. Our skeet shoot will be held on September 26<sup>th</sup>, so please be on the lookout for the event's registration and sponsorship opportunities. And last but certainly not least, mark your calendars for our TAPL Fall Golf Tournament on October 13<sup>th</sup> at Meadowbrook Country Club. This event is a members-only event, so do not delay your membership registration/renewal process. We are also raising money for our TU and OU Endowment Funds, and we would appreciate your generosity at our upcoming contribution opportunities.

As you can tell, our association has a lot in store for our membership this year, and I hope you are as excited about these events as we are. I could not be more thankful to our volunteers who help make these events possible. If you are interested in becoming more involved in TAPL and its many committees, or if you have any questions, suggestions or concerns, please do not hesitate to contact me or the other members of our board. I'll see you at Cain's on 9/5.

Sincerely,

Collin J. Sniff, RPL  
TAPL President

Friday, \*\*September 5<sup>th</sup> @ 7 PM..... SAVE THE DATE!

(evening before TU & OU football game in Tulsa)

TAPL's 65th Anniversary at the famous Cain's Ballroom

- Oklahoma Joe's BBQ
- Live Music: **The Fabulous Mid-Life Crisis-Band**
- Open Bar
- Spouses/dates are invited and encouraged

Thank you to those who have already sponsored the event. Contact J.J. Chisholm (if you would like to sponsor

**Scholarship Fund Raiser.....**

- During the event there will be a live auction of donor sponsored items/baskets with the proceeds going to TAPL Scholarship Endowments for TU & OU Energy program participants.

(Contact Rhonda Stacy ([rstacy@midcon-energy.com](mailto:rstacy@midcon-energy.com)) If you would like to be a donor for the auction)

\*\* This event will substitute for our typical social meeting held in September.

# PetroQuest

# Fifth Annual TAPL Fun Skeet Shoot

Dear Friends:

The Tulsa Association of Petroleum Landmen is pleased to announce its Fifth Annual Fall Fun Skeet Shoot. The event is scheduled for the afternoon of Friday, September 26th at the Tulsa Gun Club located at 8802 East Mohawk Blvd, (NE of Tulsa International Airport). The Gun Club has 5 skeet houses and each will accommodate a group of 5 shooters with a round consisting of each shooter firing 25 rounds at clay targets from 8 stations in a semi-circular course. Each round should take approximately 30-45 minutes. There will be a dinner at the Club's pavilion on the grounds followed by the awarding of door prizes. Given the growing popularity of the event, TAPL anticipates a very positive participation response to this event from members and their industry guests and associates.

We are very appreciative of the numerous companies and individuals who help sponsor other TAPL events each year. Your generosity continues to provide TAPL with the financial assistance it needs to offer first-class networking events to its membership. As always, several sponsorship opportunities will be presented, as further described below. As a sponsor, you will be recognized for your support of TAPL through signs, announcements, and/or the TAPL website.

If you would like to help sponsor this event, please complete and return this form with your check payable to "TAPL", to:

ATTN: Michelle Linton  
Mid-Con Energy  
2431 E. 61<sup>st</sup> Street, Suite 850  
Tulsa, OK 74136

We ask that you please respond no later than September 5, 2014. Thank you for your past support and consideration of sponsoring this year's event. Should you have any questions, please contact Greg Hambric at 918-510-1101 or [greg.hambric@yahoo.com](mailto:greg.hambric@yahoo.com) or Michelle Linton at 918-743-7575 or [mlinton@midcon-energy.com](mailto:mlinton@midcon-energy.com).

Sincerely,  
Wink Kopczynski, III, TAPL Events Director

## Important Message from the Membership Director

Dear TAPL Members:

I would like to thank everyone who has renewed their membership and welcome our newest members to our organization. As your Membership Director, I would like to challenge our members to invite new qualified candidates engaged in land work within the oil & gas industry to join TAPL and encourage your co-workers who have been members in the past to rejoin.

I look forward to seeing TAPL grow and can't wait to see everyone at our upcoming events.

If you ever have any questions, concerns, please do not hesitate to contact me at [icampbell@cimarex.com](mailto:icampbell@cimarex.com) or our Membership Administrator, Grace Grimm at [gracegrimmtapl@gmail.com](mailto:gracegrimmtapl@gmail.com).

Best regards,

Jessica Campbell

Membership Director

## June AAPL Quarterly Board Meeting Report

### Montreal Quebec, Canada

The AAPL Board of Directors has just concluded our June Quarterly Board Meeting / Annual Meeting in Montreal Quebec, Canada at the Fairmont, The Queen Elizabeth. With a full slate of Directors and Committee Chair's (both outgoing and incoming), your Board thoroughly reviewed and addressed the pressing issues of our Association. AAPL now has over 21,000 members and approximately 1200 members and guests gathered in Montreal for, what was by all accounts a wildly successful 60<sup>th</sup> Annual Meeting. This year's Keynote Speaker was famed Washington Post columnist, Best Selling Author & Pulitzer Prize winner George F. Will. The educational luncheon speaker was Steve Mueller, CEO of Southwestern Energy and Ezra Levant delivered the address at the Closing Luncheon. Mr. Levant is a famed TV Anchor and author of his most recent books, "Ethical Oil" & "Groundswell". For anyone looking for additional details and pictures from the Annual Meeting I would refer you to the AAPL website at [www.Landman.org](http://www.Landman.org).

#### Staff Report:

Membership Renewal was a major source of conversation this quarter. As you know, due to the inability of our current Member Suite system to handle the ever growing demands of our renewals, AAPL was forced to administer the 2014 renewal program through a paper system this year which has been extremely cumbersome for our members and for the AAPL staff. However, the implementation of the new database system will be in place well before the 2015 renewals and the Board has been assured that this process will be dramatically improved with the implementation of our news system. The Board approved some recommended By Law and Policy Manual amendments in March and those Amendments were presented to and approved by the membership in Montreal. It should be noted that none of the proposed changes to the By Laws or Policy manual included language affecting AAPL's practice of running background checks as necessary to protect the integrity of the Association. Pursuant to numerous conversations with AAPL members in our region I raised this issue in numerous settings throughout the week in Montreal and the Ethics Committee, the Membership Committee, the incoming Executive Committee and the Staff will be collaborating on a joint Background Check Policy that will be proposed and discussed at our September Board Meeting. I would like to report that AAPL has never adopted a policy of universal across the board background checks. To my knowledge, this has only been used as a tool to navigate the process described in the By Laws for those people applying for membership that have been convicted of a felony or those members who have been involved in an alleged Code of Ethics and / or Standards of Practice infraction. Anyone who falls into either of those categories would require a 2/3 majority vote of the respective Committee, the Executive Committee and the Board of Directors.

Pursuant to the Board's vote in March, AAPL has transferred \$4MM in assets from the AAPL Luther King account to the Landman Scholarship Trust (LST) account which will autonomously fund, through its annual yield, all of AAPL Scholarship commitments going forward. AAPL closed the books on Winter NAPE which included 17,430 registrants and yielded a \$3,599,178 Net Profit to AAPL. Although attendance was flat this year AAPL was able to increase revenue through an improved consolidated Marketing plan and a more comprehensive NAPE accounting procedures. Winter NAPE 2015 dates are February 11<sup>th</sup> – 13<sup>th</sup>. Attendance at NAPE East was down slightly due to competing conferences hosted by AAPG, IPAA, DUG & OGIS in the same 3 week period. This is an issue that is being evaluated and one that we hope to address in the coming years. NAPE South 2014 is scheduled in Houston on August 20<sup>th</sup> – 22<sup>nd</sup> and registration is open through July 15<sup>th</sup>. NAPE remains a major profit center for AAPL and the NAPE Operators Committee is working with the AAPL Staff to ensure that costs associated with all new Regional Expo's are as efficient as possible and continue to expand as profit centers for our Association. AAPL is forecasting a 7% growth in NAPE Revenue this coming year and has realized an approximate 30% growth since the 2011 Winter NAPE. At this time, no more Regional NAPE's are scheduled and all future NAPE expansion discussions center around the international segment of Winter NAPE and potentially a NAPE International in Calgary.

#### Treasurer's Report:

The Treasurer's Report contains very positive news for our Association. As compared to March 31<sup>st</sup>, 2013 total assets have increased from 27,263,067 to 33,030,004 which shows an increase of 21.2%. Expenses are up, largely due to the acquisition of the new Headquarters building, increased staff to accommodate the growth of both AAPL and NAPE, the implementation of the Marketing / Public awareness campaigns and the Government Relations Program which is masterfully tracking the progress of various legislative advances affecting our industry across the nation. As previously mentioned, AAPL has closed on a new Headquarter building in downtown Ft. Worth which will be located in the former Keith Law Offices Building at 1705 West 7<sup>th</sup> Street, Ft. Worth, TX 76102. The new building will be vacated by 8/1/14 and plans are in motion to make the new building move in ready by 10/1/14. The current Headquarters building has been listed for sale at \$1.3MM and has at least one interested buyer. This is an exciting move for AAPL and will dramatically increase the visibility of our Association and accommodate the growing demands of our staff and programs. The Board approved a 2014 – 2015 Budget totaling \$2.219 MM which includes 8 additional employees at AAPL / NAPE to deal with the ever expanding demands that our growing membership, events and influence place on the AAPL Staff and the NAPE staff in Ft. Worth. Additionally, the Board approved a Capital expense Budget of \$1.405 MM that largely covers Database, IT and building improvements.

#### Education Report:

Numerous Educational events continue to be scheduled in our area and around the country. TAPL has hosted a WI / NRI Workshop, a Due Dilligence Seminar and a CPL / RPL Review and Exam in the past few months. AAPL has over 100 seminars planned for the 2014 calendar year with about half of those conducted so far. New seminars released in 2014 include the following: Negotiations, Title Curative & a new AAPL Ethics Program. Planning is underway for the 2015 education calendar of offerings which will include some new seminars on the oil & Gas Lease as well as a Basics of Petroleum Economics. There are 18 scheduled Field landman seminars across the country this year. The Education Committee finalized an Ethics Video which was screened in Montreal, approved by the Board and will be utilized in numerous educational settings in the coming year. AAPL will be co-hosting a joint institute with SPE which is tentatively scheduled for March 2015. Finally, Richard Rosprim has announced that he will be retiring and Susie Mason has agreed to being teaching the CPL / RPL review in the fall of 2014.

#### Certification Report:

The Certification Committee continues to review about 80 – 100 applications per month and has reviewed 292 CPL applications since 7-1-13; 495 RPL Applications since 7-1-13; and 649 RL Applications since 7-1-13. Currently our Association boasts 4,261 CPL's, 4,766 RPL's & 2,166 RL's. 53% of AAPL Members maintain a designation. After thorough consideration, the Certification Committee has decided to maintain the three required CPL Sponsors for CPL applications, however they will implement a procedure to accept 2 sponsors for the RPL application (only one of which must be a CPL). As many of you know firsthand the new CPL Exam has been implemented and has seen a dramatic decline in the initial pass rate. Commonly missed questions have been and will continue to be reviewed for error and content confusion and some minor corrections have been made.

## Forms Report:

The 1989 HZ JOA Form is complete and available through Forms-on-a-Disk (FOAD). The 1982 HZ JOA Form revisions have been submitted to FOAD. The Model Form 610 JOA Revision Task Force is reviewing each provision but has much of the heavy lifting still ahead and hopes to have a draft out for "Peer Review" by December and a final Draft to the Board at the March 2015 Meeting. There are continued discussions regarding case law on the exculpatory clause and successor liability, and suggested revisions relating to subsequent burdens and Pugh clause terminations as joint loss or failure of title. Anyone with specific issues that needs to be addressed in the JOA review is encouraged to submit your written thoughts so that they can be funneled to the committee for review. As the new Forms Committee convenes a discussion on the practicality of our relationship with FOAD is evolving and will be revisited in the coming months.

If you haven't yet done so, I would like to encourage you to join our National Landman's Association (AAPL). Not only does AAPL offer networking, continuing education, marketing and deal making opportunities in every basin around the world, they also actively monitor and lobby for legislative and regulatory developments across the country that affect our industry. Perhaps most importantly, all AAPL members are subject to the AAPL Code of Conduct and AAPL Code of Ethics which encourage all members of our profession to act professionally and ethically in the course of our day to day business. AAPL provides avenues of continuing education and certification for its members, all of which work to ensure to the general public's well deserved trust as they encounter Landmen of the highest ethical and professional standards.

This report is intended to be a general summary of the meeting. If you have questions, suggestions or concerns, please don't hesitate to reach out to me via phone at 281-408-1467 or via e-mail at [H.Reinmiller@EagleRockEnergy.com](mailto:H.Reinmiller@EagleRockEnergy.com) so that I can more clearly describe the ongoing efforts of AAPL's Board to serve its members and advance our industry!!

Sincerely,

*Hamel B. Reinmiller, CPL*

Dear Hamel:

Thank you so much and many thanks to the Tulsa Association of Petroleum Landmen for the recent generous contribution to the University of Oklahoma in support of the TAPL Scholarship Fund.

Providing scholarships to our talented, deserving students is a top priority, and TAPL's gift helps meet that goal. I know recent recipients Brooke Couch, Richard Courtney, Dylan Crowl, Holly Hayes, Brant Larsen and Tyler Tiger join me in appreciation for your investment in them and their futures.

Along with my gratitude for TAPL's dedicated support for our students, I send warmest regards to you and your colleagues.

Sincerely,

David L. Boren  
President

## SPONSORSHIPS AVAILABLE

Sponsorship of our dinner meetings and socials is a great way to advertise to our membership. We offer sponsorships for our socials, dinners and pre-dinner cocktail hours. Each event costs only \$500 and your company logo is featured in our website, newsletter, emails about the event and on signage at the event, as well as recognition from the podium during the dinner.

Spaces fill up quickly so please reserve your spot now! Contact Harriet Connolly at:

[tulsalandmen@gmail.com](mailto:tulsalandmen@gmail.com).

Newsletter ads are a great and cost-efficient way to reach our membership at the following rates:

**\$200 for 1/4 page ad**

**\$400 for 1/2 page ad**

**\$600 for full page ad**

Each ad runs for nine issues and we offer a 50% discount if a newsletter ad is purchased in conjunction with a website ad (\$650 for one year).

Thanks,

Harriet Connolly, RPL

TAPL Communications Director

# Career Assistance Program

---

The oil and gas business has always been a cyclical business. During uncertain and challenging times we all could use a little help. As a reminder, TAPL has a committee to oversee the development of the Career Assistance Program (CAP). CAP's goal is to provide help for current TAPL Members who are presently unemployed and looking to regain employment by posting resumes, listing job openings, and networking. In order to fulfill our goal of ensuring that all members are gainfully employed, we need everyone's help. Before assistance can be provided, we must first be notified as to who may need assistance.

If you are currently unemployed, or know of a TAPL member that is currently seeking employment, please email your or their name and contact information to Debbie Langley, [debradlangley@yahoo.com](mailto:debradlangley@yahoo.com). TAPL, with permission, will also be posting resumes on the TAPL website in an effort to facilitate in the job hunt. Please send all resumes to Debbie Langley as well or you can log in and upload your resume yourself. Furthermore, CAP is currently building relationships with various employers in Tulsa in an effort to stay informed as to job openings. If you are aware of any employers seeking to fulfill land positions, please notify Brandon Ward at [bward@aritulsa.com](mailto:bward@aritulsa.com) and Scott Martin at [smartin@samsonco.com](mailto:smartin@samsonco.com).

Please note that all information will be handled with the utmost discretion, as privacy is of great concern. You can monitor the CAP's status, event schedule, and progress on the TAPL website and newsletters, coordinated by the Benefits Director, Russ Hargrove at [rhargrove@samson.com](mailto:rhargrove@samson.com). For more direct questions and concerns, contact Bill or the CAP's committee chair, Vickie Washburn, at [vwashburn2@cox.net](mailto:vwashburn2@cox.net).

## Reminder on how to claim your AAPL Credits...

# Recertification Credits Online

After attending an event, or purchasing a video in which you get RL, RPL, CPL recertification credits you must submit your affidavit of attendance; which is done by using the code you received with purchase or at the end of the actual class.

To do so:

1. Simply login to the portal, locate the "Submit Affidavit of Attendance" link under the My CE Credits section:

 **My CE Credits**

---

**Year-to-date Credits:** 0.0

- [Check My CE Credit / Certified Transcript](#)
- [Submit Affidavit of Attendance](#)

2. You will be asked to enter the code for the class or home study

## Report Component Attendance

### Select a Component

First, we need to know what component you are registering for. Enter in the code or ID number of the component.

Component ID/Code: \*

3. Then you will be prompted to digitally sign that you attended the class or have reviewed the home study information.
4. Click "Finish" to confirm your credits

TAPL Members,

As you know, our industry is constantly under fire from environmental groups in many cities & states across the country and AAPL is actively promoting and lobbying for our profession. Part of that goal is to stomp out misinformation that if left unaddressed can be very harmful to the progress of our industry. In the face of a dramatic legislative assault in Colorado, Anadarko Petroleum along with Noble Energy and others put together a short 40 page booklet or “toolkit” that explains some of the common practices of our industry and attempts to rectify some of the misinformation that exists amongst the general public that may not have the same exposure that we do to the good work that our industry is doing every day. This booklet is intended to serve as a tool to help those in-house and field landmen who are dealing with the public on a daily basis and it has been approved for wide circulation, so feel free to share it with your team. Approximately 10% of the material is Anadarko specific and the remaining 90% is factual science & economy based information that has been vetted and sourced by numerous organizations. AAPL has a similar “toolkit” and may dovetail this information into our own product and / or rebrand this and disseminate as an additional tool to the AAPL Membership, but until that time, the TAPL Board wanted to make it available to any of you who might be interested in using it in your day to day operations.

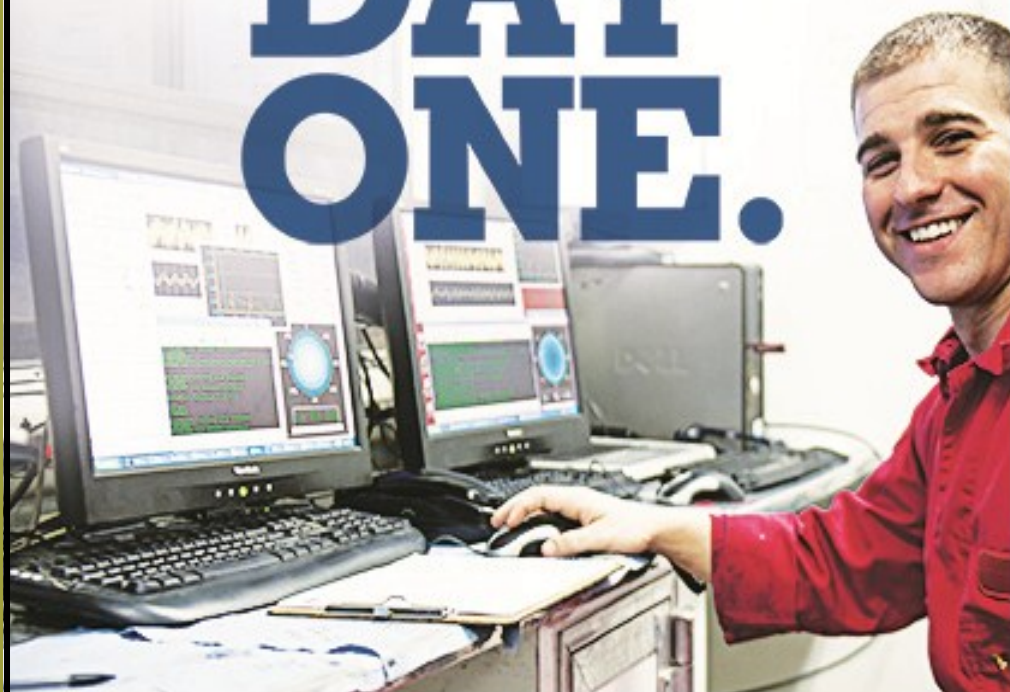

[Click Here to View the Toolkit](#)

The logo for Cimarex, featuring the word "CIMAREX" in a bold, white, italicized sans-serif font. The text is set against a black rectangular background. To the right of the black rectangle is a large red triangle pointing upwards and to the right, with a white diagonal line separating it from the black area. The entire logo is contained within a white rectangular frame.
