LETTER FROM THE PRESIDENT

Dear TAPL Members:

HAPPY HOLIDAYS! As the year winds down, I hope each of you enjoy some quality time with your family and friends! It is hard to believe that the TAPL fiscal year is already halfway over. Start thinking of who you will want on your TAPL Board next year – nomination requests will be coming out before you know it. Time has flown by!

The Oil Patch Christmas Party at the historic Cain's Ballroom was a tremendous success with over 300 people in attendance. I hope you were able to make it. We raised over \$700 and provided a plethora of toys for Toys for Tots. We appreciate everyone that donated, sponsored, and attended. If you have any feedback to make the event better for next year, then please let me know. There is a great chance that we will do this event again next year.

January 9 – we will have our social at Side Car on 15th Street. We rented the rooftop bar/restaurant from 5pm-8pm. Great spot if you have not been. Hope to see you there!

The TAPL Board continues to work hard to bring great networking and educational opportunities to the membership. Do not hesitate to reach out to me or anyone on the Board with ideas or suggestions on how we can make our organization better.

Please have a fun and safe New Year's. Here is to a successful 2023!

Adam W. Robinson, CPL

CAREER ASSISTANCE PROGRAM

Career Assistance Program

With regard to employment in the Oil and Gas industry or at least within the "Land" realm, things have been anything but predictable for the past several years. Although current commodity prices show great promise, the job market in relation to land work has not exactly followed suit. With that being said, TAPL would like to revive the Career Assistance Program (CAP) with the goal of connecting current TAPL members who are needing help obtaining employment or contract work in our industry to Company's in need of help. If you are currently unemployed or are aware of any employers seeking to fulfill land positions, please contact the Benefits Director, Dustin Cates at dcates@ttownresources.com. Every inquiry will be handled with the utmost discretion as privacy is of great concern.
