**April 20th** – TAPL Spring Seminar @ OU Tulsa

**May 4th** – CPL Event @ Golf Suites. Get warmed up for the golf tournament!

**May 8th** – TAPL Spring Tournament (not at Indian Springs this year!). Limited spots so look out for information to sponsor or register!

Other things to look out for are the March Madness Bracket Competition and our Community Service Day.

The TAPL Board continues to work hard to bring great networking and educational opportunities to the membership. Do not hesitate to reach out to me or anyone on the Board with ideas or suggestions on how we can make our organization better.

### CAREER ASSISTANCE PROGRAM

## Career Assistance Program

With regard to employment in the Oil and Gas industry or at least within the "Land" realm, things have been anything but predictable for the past several years. Although current commodity prices show great promise, the job market in relation to land work has not exactly followed suit. With that being said, TAPL would like to revive the Career Assistance Program (CAP) with the goal of connecting current TAPL members who are needing help obtaining employment or contract work in our industry to Company's in need of help. If you are currently unemployed or are aware of any employers seeking to fulfill land positions, please contact the Benefits Director, Dustin Cates at [dcates@ttownresources.com](mailto:dcates@ttownresources.com). Every inquiry will be handled with the utmost discretion as privacy is of great concern.

The background image is a composite. On the left, there is a tall, lattice-structured oil derrick. On the right, there is a large, stylized, golden-colored figure of a person with arms outstretched, resembling a statue or a logo. The background is a soft, hazy landscape with green hills and a blue sky.
