RE: TAPL Fun Skeet Shoot Sponsorship 2016

Dear Friends:

The Tulsa Association of Petroleum Landmen is pleased to announce its Seventh Annual Fall Fun Skeet Shoot. The event is scheduled for the afternoon of Friday, September 23rd, at the Tulsa Gun Club located at 8802 East Mohawk Blvd, (NE of Tulsa International Airport).

As many of our members are well aware, The Gun Club suffered severe damage this past spring at the hands of Mother Nature and had to shut down for several weeks to rebuild. With a lot of help from the community the Gun Club is again operational and is excited to be able to host our seventh year of this great event.

The Gun Club has rebuilt its 5 skeet houses and each will be able to accommodate a group of 5 shooters for a round of each shooter having a chance to bust 25 clay targets from 8 separate stations. Each round should take approximately 30-45 minutes, and after your round there will be plenty of ice cold beverages and a steak dinner under the Club's pavilion followed by several chances to win great door prizes. As the popularity of this event continues to grow, TAPL anticipates a very positive participation response to this event from members and their industry guests and associates.

We are very appreciative of the numerous companies and individuals who help sponsor other TAPL events each year. Your generosity continues to provide TAPL with the financial assistance it needs to offer first-class networking events to its membership. As always, several sponsorship opportunities will be presented, as further described below. As a sponsor, you will be recognized for your support of TAPL through signs, announcements, and/or the TAPL website.

If you would like to help sponsor this event, please complete and return the following sponsorship form with your check payable to "TAPL", to:
