2019 SUMMER NEWSLETTER

LETTER FROM THE PRESIDENT

TAPL members:

AS we round the final turn into summer and the end of the TAPL calendar year, I am caught wondering to myself where the time has gone. It has been an absolute privilege to serve as your Association's President over the past year, but I couldn't have done it without the hard work and support of the other Board Members that served alongside me. I am grateful for the long hours they have spent this year, away from their families and jobs, making an effort to strengthen and grow your Association. I sincerely feel that their efforts have left TAPL as strong as ever and in a position to grow in every facet to the benefit our members in the years to come.

With that said, please join me in welcoming the incoming 2019 - 2020 Board:

President - Denton Smith, RPL

Vice President – Michael Schooley, CPL

Secretary – Mariena Martin, RPL

Treasurer – Alisha Stacy

Membership Director – Adam Dolinsky, CPL

Communications Director – Rob Sher, CPL

Events Director – Kristina Barnes

Benefits Director – Lawson Vogel, CPL

Education Director – Jim Slade, CPL

External Affairs Director – Shane Saunders, CPL

AAPL Director – Adam Robinson, CPL

I would also like to recognize past President Wink Kopczynski, III and Eric Weidemann who will be rolling off the board this year. Many thanks to both of these great leaders for their time and efforts serving TAPL.

If you would like to serve and help grow this organization, I would urge you to reach out to anyone on this board and express your interest in helping. TAPL is always looking for great leadership to help advance the organization and we would love to help get you plugged in any way possible.

Thank you all again for a great TAPL year, have a great summer, and I look forward to seeing everyone again in the fall.

Sincerely,

Andy Matson, CPL

TAPL President

2018-2019 TAPL President **Andy Matson** (left) and Incoming 2019-2020 President **Denton Smith** (right).

2019 SUMMER NEWSLETTER

TAPL SEA COMMITTEE UPDATE

TAPL Members,

As summer nears and another TAPL year comes to a close, the Scholarship, Endowment, and Awards Committee (SEA) would like to give a brief update on the TAPL Endowment Fund for the University of Tulsa and the University of Oklahoma.

First, the SEA Committee would like to extend a HUGE thank you to all of those who participated in and sponsored the TAPL Spring Scramble tournament out at Indian Springs. With the help of Mariena Martin and the Events Committee, we were fortunate enough to be able provide even more endowment fundraising opportunities out on the course.

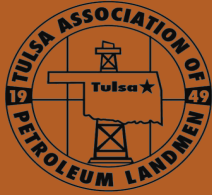

The first of these was Cannons for a Cause, an organization that provides a safe, hands-on experience allowing golfers to launch golf balls up to 400 yards! For the Spring Scramble, we were able to have a Cannons for a Cause hole on each of the courses at Indian Springs so that every team was able to experience it and participate. The next fundraising opportunity on the course was Golf Darts, where team members each chipped a Velcro golf ball onto an inflatable dart board. It, too, was very successful and was also set up on each of the courses. Finally, each course had a Trackman Smash Factor hole, where a golf pro was on site to measure a shot's 3D trajectory together with 26 impact and ball flight parameters in real time!

At this time, the SEA Committee would like to recognize all of the sponsors who made these endowment holes possible. Thank you to **Triple Crown Energy**, the 2019 TAPL Exclusive Platinum Sponsor, to **Osage Oil & Gas** for sponsoring the Cannons for a Cause holes, and to **Bearcat Land** and **Paladin Land Group** for sponsoring the Golf Dart holes. It is because of these great sponsors that the SEA and Events Committees were able to make this all possible!

Due to the success of these fundraising opportunities and the charitable, giving nature of TAPL Members, the SEA Committee is very excited to announce we were able to raise a **RECORD-BREAKING** amount for an annual TAPL event, totaling around **\$18,678.58!** This would not be possible without the TAPL Membership, the volunteers, and the Events Committee who worked with the SEA Committee to help coordinate all of this. This puts the organization much closer to its overall endowment funding goal of \$300,000.00, which will allow TAPL to provide scholarships to our community's future land professionals, while significantly lowering the burden on the TAPL Annual Budget for years to come. If you would like to donate or would like more information on the Scholarship Endowment programs, please contact Rhonda Stacy (rstacy@midcon-energy.com).

(continued onto next page)

2019 SUMMER NEWSLETTER

TAPL SEA COMMITTEE UPDATE

The SEA Committee would also like to remind everyone about TAPL's **Century Club**, which has been established in efforts to recognize and honor those loyal, longtime TAPL members. By way of exclusive induction, the Century Club is comprised of distinguished members and member companies that have gone above and beyond by making a \$100.00 donation to the Scholarship Endowment fund for every year they have been a member with the TAPL, or for those companies that give over \$10,000.00 to the Scholarship Endowment fund (5 year minimum for eligibility).

Example:

10 years of TAPL membership = 10 x \$100 = \$1000 for Century Club admittance

If you or your company would like to become a member of the TAPL Century Club, please contact **Rhonda Stacy** (rstacy@midcon-energy.com) for more information.

Finally, before we head into the summer, the SEA Committee would like to remind everyone about the TAPL 70th Anniversary Party that will be on Friday, September 20th at Cain's Ballroom. The event will be emceed by Julie Chin and will feature live music and entertainment from Steve Antry and his band, Antry Music, as well as from The Fabulous Mid Life Crisis Band! There will also be a live auction benefiting the TAPL Scholarship Endowment Fund. We are hard at work putting together some very exciting packages to auction off. Mark your calendars, because you will not want to miss it! Sponsorships and tables for the event are already filling up fast. If you or your company is interested in sponsoring the event or purchasing a table, please contact J.J. Chisholm at jjchisholm@anchorlandgroup.com. Be on the lookout for more reminders and information as we get closer to September!

The SEA Committee and the TAPL 70th Anniversary Party Committee would like to take this chance to recognize those companies who have already signed up to sponsor this event. Thank you to the sponsors listed below!

This past year has been tremendously successful not only for TAPL, but also for the SEA Committee. **We were able to raise more money for the endowments this year than any previous year.** On behalf of everyone on the SEA Committee, I would like to thank this year's TAPL Board, all of the companies who sponsored this year's events, and all of the TAPL members who donated and contributed to funding the endowment. It is because of this incredible membership's generosity that the SEA was able to have the successful year that we had.

We hope everyone has a great summer and look forward to seeing everyone again this fall!

Best Regards,

Tayler Peterson

Scholarship, Endowment, and Awards Committee

TAPL 2019 SPRING SEMINAR RECAP

The **2019 TAPL Spring Education Seminar** was held on April 25, 2019. Speakers included, Robert Winter, J.D., Jonna Polk, Keith Needham, CPL/J. D./MBA, Matthew J. Allen, J. D., Robert 'Eli' Kiefaber, J. D. and Kenneth Wagner, Oklahoma's Secretary of Energy and Environment. Each presenter touched on a topic that was timely and important to discussion within our industry and profession. We had a great turnout this year and attendees earned a total of 7 RL/RPL/CPL and OKMCLE credits for full attendance. We hope to see you at next year's seminar!

Many thanks to our sponsors: **Paladin Land Group, Tecolote Energy, Cimarex, Munson-McMillin, Hall-Estill, Bivins Land Services, Rimrock Resource Partners, Barnes Law, MidCon Energy and Levinson, Smith & Huffman!**

TAPL 2019 SPRING SCRAMBLE RECAP

The **TAPL Spring Golf Scramble** was held on Monday, May 13th at The Club at Indian Springs in Broken Arrow. TAPL's largest event of the year, the tournament was a huge success as many members and their guests turned out for an afternoon of fun in fantastic weather.

Golfers enjoyed a variety of competitions in addition to 18 holes of golf which benefited the **TAPL Scholarship Endowment Funds**. Activities included a "Cannons for a Cause" competition presented by **OSAGE OIL & GAS**, "Golf Darts" competitions sponsored by **BEARCAT LAND** and **PALADIN LAND GROUP**, as well as **TrackMan**, **Longest Drive**, and **Closest to the Pin** competitions.

COURTHOUSE ACTIVITY SCOUT

Introduction

To bring you this information, we go directly to the County Clerk's offices in the relevant county seats for all of the mid-continent's hottest plays and get a first-hand report on the activity and number of landmen in the courthouse from the preceding week. We then reflect this in a daily average value. If you follow this data weekly, you can identify up-ticks and down-turns in area activity over time and occasional spikes in the number of landmen trying to get into the vaults when something trendy is happening. If you would like to see any additional counties reported in the Courthouse Activity Scout contact J.M. Buster-Bradshaw at jbradshaw@paladinlandgroup.com.

Special thanks to Katy Roper at Paladin Land Group for compiling this data.

EDWARD MIKE DAVIS

2019 SUMMER NEWSLETTER

HAPPY SUMMER FROM TAPL's BOARD OF DIRECTORS AND
EXECUTIVE COMMITTEES!

**And now dear members, we leave you with some practical,
timeless wisdom handed down to landmen over the ages:**

A GOOD LEASE MAN

"Must be a man of vision and ambition, and an after-dinner speaker, before and after dinner guzzler, night owl, work all day and half the night, then drive 200 miles and appear fresh the next day. You must be able to entertain bankers, farmers, cattle men, company landmen, and pet widows without becoming too amorous. Inhale dust, drive through snow 10 feet deep at 10 below, and work all summer without perspiring or acquiring BO. Must be a man's man, a lady's man, a model husband, a fatherly father, a good provider, a Plutocrat, a Democrat, a Republican or a New Dealer, an old dealer and a technician, politician, mathematician, mechanic, carpenter, baby sitter and a notary public. Must be a buying genius, able to anticipate other company plays, a land scout and general information bureau. Must visit clients in hospitals, jails, honky-tonks and beer joints. Contact all buyers in immediate vicinity at all times and be prepared to leave for parts unknown, a distance of not less than 2000 miles, on five minute notice. Must have unlimited endurance, a wide range of telephone numbers in all principal cities, an acquaintance beginning in Maine and ending in California. Must have a good car, an attractive home and belong to all clubs and pay all expenses at home. Must be an expert driver, talker, dancer, traveler, bridge player, poker player, diplomat, financier, capitalist, philanthropist, geologist, lawyer, abstractor, good and fast with a typewriter, an authority on palmistry, chemistry, psychology, dogs, horses, brunettes, blondes and redheads."

Is it any wonder that good lease men are hard to find?

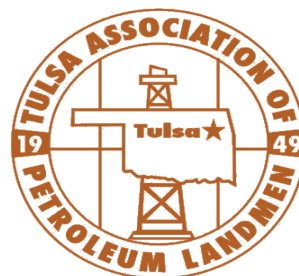

*Special thanks to **Michelle Linton** at MidCon Energy for sharing this and reminding us all, lest we ever forget what truly makes a "good lease man".*

HAVE A GREAT SUMMER!

Best Regards,

2018-2019 TAPL Communications Committee
