OCTOBER 2022 NEWSLETTER

LETTER FROM THE PRESIDENT

Dear TAPL Members:

Those that participated in the Fall Golf Tournament know two things – 1) the tournament was on a beautiful course with fall-like weather and 2) Dylan Allen and his crew know how to run an amazing event! Kudos to Dylan Allen and his volunteers – thank you all for making it a great event! In addition, the membership raised approximately \$4,000 for Make-a-Wish. A HUGE shout-out to all the sponsors, we could not have had such a successful event without you!

Mark your calendar. On November 14th, we will have our first TAPL dinner at the Summit Club. Alex Robinson lined up an insightful speaker, Thomas Gillespie. Mr. Gillespie is a Senior Professional Geologist and Retired Professor who will speak about Global Warming / Climate Crisis. I encourage every TAPL member to **bring at least one guest!** You do not want to miss this presentation.

The Oil Patch Christmas Party planning is in the works and set for December 8th at the historic Cain's Ballroom. TAPL Members have free entry but are **encouraged to bring a toy or a monetary donation for Toys for Tots.** The Guest fee is \$50. Members and guests will receive two drink tickets. Food will be provided, and two bands will be playing music throughout the evening.

The TAPL Board continues to work hard to bring great networking and educational opportunities to the membership. Do not hesitate to reach out to me or anyone on the Board with ideas or suggestions on how we can make our organization better.

Adam W. Robinson, CPL
TAPL President

CHRISTMAS DINNER WITH THE TULSA OIL PATCH

The Tulsa Oil Patch is coming together to host a Holiday Party for all our friends who live and/or work in oil and gas in Oklahoma! Through the joint efforts of the leadership in ADAM-Tulsa, the Tulsa Association Of Petroleum Landmen, the Tulsa Geological Society and the Geophysical Society of Tulsa, we have secured Cain's Ballroom, two bands Steve Antry and Tejon Street Corner Thieves, and plenty of food and drinks to get everyone into the holiday spirit.

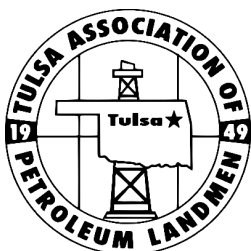

To help make this the best "oil patch" holiday event ever, please join with us in our one-size-fits-all sponsorship opportunity. For a \$1,000 sponsorship, you will get admission for 20 people from your organization. It can be 10 employees plus spouses, or 20 guests, or any other combination you choose. Plus we will recognize all sponsors on our big "thank you board".

You can see more details and submit your sponsorship request at the following link here:

CAREER ASSISTANCE PROGRAM

Career Assistance Program

With regard to employment in the Oil and Gas industry or at least within the "Land" realm, things have been anything but predictable for the past several years. Although current commodity prices show great promise, the job market in relation to land work has not exactly followed suit. With that being said, TAPL would like to revive the Career Assistance Program (CAP) with the goal of connecting current TAPL members who are needing help obtaining employment or contract work in our industry to Company's in need of help. If you are currently unemployed or are aware of any employers seeking to fulfill land positions, please contact the Benefits Director, Dustin Cates at dcates@ttownresources.com. Every inquiry will be handled with the utmost discretion as privacy is of great concern.

COMPREHENSIVE SPONSORSHIP

The background image is a blurred photograph. On the left, there is a tall, lattice-structured oil derrick. On the right, there is a large, golden-colored statue of a person, possibly a Native American, with arms outstretched. The overall scene is set against a hazy, light-colored background.
