### LETTER FROM THE PRESIDENT

Congratulations to our TAPL 2021-2022 Award Recipients Amy Gann, Jacob Charney, Wink Kopczynski III and Anchor Land Group! I want to extend my deep appreciation for your service and commitment to TAPL.

With perfect weather forecasted, third time's a charm for the TAPL Skeet Shoot this Friday March 25th, 2022. Kris Karnes and committee have an exciting day lined up with a Wobble Trap competition, great prizes and shooting fun with your colleagues at Snake Creek's state-of-the-art facilities. Attorney General John O'Connor will be giving a brief update regarding current oil and gas issues relating to his office during lunch.

It's hard to believe that our last dinner meeting is already here. Please join us on April 11th for an exciting night of awards and education. Kevin Hern will update us on Oklahoma legislative issues affecting oil and gas, and Mike McConnell will update us on his view of the future of Energy Management. Mike will also be bringing TAPL's OU scholarship recipients to be recognized at this meeting and the SEAM committee will present the TAPL 2021-2022 Lifetime Achievement award winner.

April is turning out to be our busiest month with our annual volunteer day for Iron Gate on Friday April 15th and the Spring Seminar on April 21st. Elliot Dowling has a fantastic lineup of speakers. We are excited to hold these events in person again!

Thinking of attending the AAPL Annual Meeting? Adam Robinson is rolling out a new incentive program to assist TAPL members with expenses of attending. We are always looking for ways to add benefits for our members, and I hope you take advantage of this one. More information is available in the remainder of this newsletter.

### SEAM COMMITTEE EDOWMENT UPDATE

The Scholarship, Endowment, Awards, and Mentoring Committee (SEAM) was honored to be able to recognize the 2021 - 2022 TAPL Award winners at March's TAPL Awards Dinner Meeting. The SEAM committee would like to take this opportunity to further recognize these incredibly deserving recipients and their accomplishments.

#### **Associate Member of the Year – Jacob Charney**

With almost a decade of experience in the industry, Mr. Charney brings a specific expertise to the firm and represents clients in transactional matters, specializing in the research and creation of Drilling Title Opinions, Division Order Title Opinions.

Mr. Charney received his Juris Doctorate from the University of Tulsa in 2011; upon admission to the Oklahoma Bar, he spent nearly three years in Tulsa-based law firms, learning how to most efficiently and effectively research and draft title opinions. While working, Mr. Charney was able to build a large, sustainable client base that afforded him the opportunity to found his firm, Charney & Associates. In 2018 he joined forces with Ben

Brown to form Charney Brown LLC, where he is a managing partner.

Alongside his expertise in title opinions, Mr. Charney has garnered a broad experience in the drafting of agreements, easements, deeds, leases, and other various instruments, and is well-versed in the handling of some of the industry's more complicated matters, including tribal lands, riparian sections and large town-sites.

#### **Emerging Landman of the Year – Amy Gann**

This year's winner of the Emerging Landman award is a native of Claremore and a graduate of Northeastern State University. A highly experienced oil and gas professional, our winner has served in various roles throughout land departments in Tulsa, ranging from land technician to land coordinator. Her effort and talent did not go unnoticed and ultimately garnered her a position as a Landman while working for Petroquest and Casillas Petroleum, before joining Paladin Land Group in April 2021. While at Casillas, our winner worked on projects that lead to the acquisition of 60,000+ acres to prepare dozens of horizontal drilling sites. Currently working as a landman for Paladin Land Group, she is responsible for leasehold acquisition and pooling efforts, as well as countless other tasks.

Rarely does a TAPL event take place without her assistance and willingness to help wherever needed, to the point where her name remains at the top of the volunteer list for each golf tournament without ever having to check in with her. When she is not working, she can be found at most every live music event in the greater Tulsa area or enjoying downtime with her husband and beloved spaniels.

Our winner currently holds the position of Director of Acquisitions and Regulatory Affairs for Paladin Land Group, LLC. He has held many positions within TAPL, most recently as a mentor in our TU/TAPL Mentoring Program. He is a past president and has always stepped up to plate when need for this association.

### IRON GATE SERVICE DAY

**Date: April 15, 2022**

TAPL is pleased to host its Spring Service day at Iron Gate. This year, we will present two opportunities to our membership, serving the morning community meal to guests and staffing the afternoon grocery pantry.

Since our service day coincides with Good Friday, we understand that some of our members will have the day off. We hope that you will join us in helping our neighbors.

#### **Morning Community Meal Shift 8:00a-11:00a**

TAPL members will serve a hearty breakfast that transitions into a lunch meal about halfway through the service. This opportunity presents maximum interaction with guests as we will be physically taking orders and serving food from behind the serving line. Guests of the community meal include members of Tulsa's homeless population, families, and the working poor.

Feel free to show up around 8 am and park in the Trinity Church parking lot. Enter the basement of the church from the East doors off of Detroit Avenue. The doors typically stay locked but we'll keep an eye out for you and let you in. Aprons and gloves are provided if needed. Please tie back shoulder-length hair or longer and refrain from wearing sleeveless shirts, shorts, or open-toed shoes.

#### **Afternoon Grocery Pantry 11:00a-1:00p**

If you've never visited, this opportunity is a good introduction to the work that Iron Gate does. TAPL members will help guests bag their grocery selections and will register guests at check-in. 59.6 % of the grocery pantry guests visit only once. It is truly an emergency service. The guests at the grocery pantry are typically working families, seniors, and those who are just short on money for the first time.

Feel free to show up around 11:15 am and park in the Trinity Church parking lot. Enter the basement of the church from the East doors off of Detroit Avenue. The doors typically stay locked but we'll keep an eye out for

If you are interested in joining fellow TAPL members for one or both opportunities, please contact Chris Hill, CPL, External Affairs Director at [chill@staghornpetro.com](mailto:chill@staghornpetro.com). Space is limited, but we want to include as many members as possible. Also, please do not hesitate to contact Chris if you have any questions.

### CAREER ASSISTANCE PROGRAM

## Career Assistance Program

With regard to employment in the Oil and Gas industry or at least within the "Land" realm, things have been anything but predictable for the past several years. Although current commodity prices show great promise, the job market in relation to land work has not exactly followed suit. With that being said, TAPL would like to revive the Career Assistance Program (CAP) with the goal of connecting current TAPL members who are needing help obtaining employment or contract work in our industry to Company's in need of help. If you are currently unemployed or are aware of any employers seeking to fulfill land positions, please contact the Benefits Director, Debbie Bodenhamer at [dbodenhamer@rabincland.com](mailto:dbodenhamer@rabincland.com). Every inquiry will be handled with the utmost discretion as privacy is of great concern.

### TAPL MENTORING PROGRAM UPDATE

TAPL Members,

One of the most valuable resources a young professional can have is a strong mentor to support them and guide through the early stages of their careers. The TAPL-TU Energy Management Mentor Program is in full swing for the 2021-2022 academic year, with hopes of providing some great events for our students and their mentors. This year's program has been limited to graduating Seniors within the TU Energy Management Program, so that our mentors can help these students find employment opportunities and prepare them for interviews – and life after graduation.

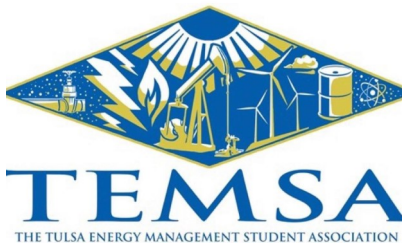

While our Mentor roster is currently full, we are always in search of strong support through financial sponsorship from our member organizations – your support will provide necessary funding for educational lunches and networking opportunities for these students (who are entering the industry in a time when they can use any extra help possible).

If you are interested in sponsoring an event this year, or would like to be considered for a mentor role as we look ahead to the next academic year, please contact me directly at [dcates@paladinlandgroup.com](mailto:dcates@paladinlandgroup.com) and let's help these students prepare for their futures together!

Thanks,
