SUMMER 2022 NEWSLETTER

LETTER FROM THE PRESIDENT

Dear TAPL Members,

As TAPL 2021-2022 term comes to an end, first and foremost I want to thank you, our members, for your resilience in the changing energy landscape in Tulsa, and your continued dedication, loyalty, and support of this organization. This organization exists to serve you and all your endeavors to excel as landman. If you have any new ideas that would further our mission to support you, please don't hesitate to reach out to any of the TAPL board members.

I think we can all feel pride about our organization's accomplishments this past year. This success would not be possible without the dedication and strong leadership of our officers and directors. It has been a pleasure to work alongside this board; their contribution to their respective positions will benefit their successors for many years. Your 2022-2023 President is Adam Robinson. Adam has extensive experience on our TAPL Board, and I have no doubt he will build upon this year's triumphs.

As an illustration of this past year's success, we hosted 16 different events, provided 12 education credits to our members, raised \$7,115 for charity, granted \$16,500 in scholarship awards and \$5,000 in member assistance.

I would like to thank our outgoing Treasurer Amber Cooke for giving her time and talent to our board these past two years. I would also like to thank Michael Schooley, Past-President, for continuing to propel our organization forward these past three years.

Please join me in welcoming the 2022-2023 Board of Directors (*reelected to serve two more years).

President	Adam Robinson*	Events Director	Dylan Allen
Vice President	Mariena Martin*	Communications Director	Kris Karnes
Treasurer	Debbie Bodenhamer	Benefits Director	Dustin Cates
Secretary	Chris Hill	Education Director	Alex Robinson*
Membership Director	Amy Gann	External Affairs Director	Elliot Dowling*
		Past President	Rhonda Stacy

So as the TAPL calendar page turns, let us all march into the next term with a drive to make the next year even more fruitful. It has been a pleasure to serve as President of this great organization.

Best,

Rhonda L. Stacy

CAREER ASSISTANCE PROGRAM

Career Assistance Program

With regard to employment in the Oil and Gas industry or at least within the "Land" realm, things have been anything but predictable for the past several years. Although current commodity prices show great promise, the job market in relation to land work has not exactly followed suit. With that being said, TAPL would like to revive the Career Assistance Program (CAP) with the goal of connecting current TAPL members who are needing help obtaining employment or contract work in our industry to Company's in need of help. If you are currently unemployed or are aware of any employers seeking to fulfill land positions, please contact the Benefits Director, Debbie Bodenhamer at dbodenhamer@rabincland.com. Every inquiry will be handled with the utmost discretion as privacy is of great concern.

TAPL MENTORING PROGRAM UPDATE

TAPL Members,

One of the most valuable resources a young professional can have is a strong mentor to support them and guide through the early stages of their careers. The TAPL-TU Energy Management Mentor Program is in full swing for the 2021-2022 academic year, with hopes of providing some great events for our students and their mentors. This year's program has been limited to graduating Seniors within the TU Energy Management Program, so that our mentors can help these students find employment opportunities and prepare them for interviews – and life after graduation.

While our Mentor roster is currently full, we are always in search of strong support through financial sponsorship from our member organizations – your support will provide necessary funding for educational lunches and networking opportunities for these students (who are entering the industry in a time when they can use any extra help possible).

If you are interested in sponsoring an event this year, or would like to be considered for a mentor role as we look ahead to the next academic year, please contact me directly at dcates@paladinlandgroup.com and let's help these students prepare for their futures together!

Thanks,

Dustin Cates

Mentoring Committee Chair

COMPREHENSIVE SPONSORSHIP

COMPREHENSIVE SPONSORSHIP 2021-2022

Tulsa Association of Petroleum Landmen

With the success of the Comprehensive Sponsorship last year TAPL has decided to make this offer again with no increase in price. We know that, as one of our official sponsors, your objectives are to promote brand awareness and engage with our growing membership. Throughout this packet, you will find opportunities that are exclusive to Comprehensive Sponsors, that will undoubtedly serve as paths to achieving those goals. TAPL's charge is to facilitate excellent networking and educational opportunities so that each member and company can continue to accelerate their career and business. Sponsorship plays a pivotal role in creating that environment. TAPL looks forward to partnering with you as a 2021-2022 Comprehensive Sponsor.
