TAPL's 70th Year!

DECEMBER 2019 NEWSLETTER

LETTER FROM THE PRESIDENT

Dear TAPL Members,

It is hard to believe the end of 2019 is here and 2020 is just around the corner!! TAPL has had a very busy first part of our calendar year and we have plenty more great events to come in 2020. For those of you able to attend our November dinner meeting at the Summit, I am sure you were very impressed by our AAPL President Jay Beavers III, CPL. He gave great presentation about our Industry's past, present and a little look into its future. Special thanks to our AAPL Director Adam Robinson and Education Director Jim Slade for making his visit happen.

Our Christmas Social is this Monday, December 9, 2019, so please visit our website to register. As has been tradition for years, TAPL is teaming up with the U.S. Marine Corps Reserve Toys for Tots Program. This extraordinary program collects new and unwrapped toys and distributes these toys to less fortunate children throughout our region over the Christmas season. I'd like to highly encourage each of you who plan on attending to bring a toy or money, which we'll donating that night to the U.S. Marine Corps Reserve. For those of you who cannot attend, please visit their website (www.toysfortots.org) and consider donating online.

Please do not forget that our December meeting is a social, and thus does not have a speaker. So, come and enjoy a buffet of heavy appetizers, and a round of drinks with your fellow landmen.

As we close out the first half of the TAPL season I want to take a moment to mention how thankful the Board and I are for each and every TAPL member. We are all truly blessed to be a part of this industry, working in this wonderful city, for the betterment of this great nation together, and although oil prices seem to be anything but superb these days, the strength of this organization and its members will continue to excel and set the standard for all organizations to follow.

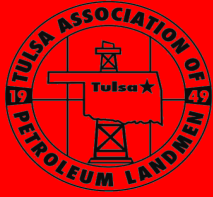

Thinking warmly of each of you and wishing your family an extra measure of comfort, joy and blessings this Christmas.

I look forward to seeing everyone on the 9th!!

Sincerely,

Denton W. Smith, RPL
TAPL President

AAPL PRESENTER SEARCH

INVITATION FOR AMERICAN ASSOCIATION OF PROFESSIONAL LANDMEN SPEAKERS

AAPL is currently seeking additional speakers to deliver the RPL/CPL Review Curriculum nationwide. The speaker will introduce and review concepts tested for both the RPL and CPL Exams. This review is 3 days, as follows:

Day One Material: Real Property Law, Land Descriptions, Contract Law, Conveyancing, Interest Calculations, Oil & Gas Lease, Ethics

Day Two Material: Pooling, Joint Operating Agreement, Well Trades, Negotiations

Day Three Material: Federal Onshore, Environmental, Offshore/OCS, Mineral Landwork, Federal Taxes on Oil & Gas, GIS

Seminar Overview & Schedule

It is important to note that each day requires **8 hours of presentation** and we are not looking for one person to teach all three days, but one or more people for each day, depending on exhibited expertise.

SESSION FORMAT

The AAPL has prepared slides for each day's presentation, covering all material you will be responsible to go over with your audience. It is important that all slides are discussed and the presenter answer questions from those in the review within the time frame allowed. Speakers *are not* responsible for providing material to review, but must be able to present the material that the AAPL provides and stay on track to get all topics covered.

Those attending the review will ask questions for clarification on topics discussed, so extensive and working knowledge of land work is essential.

SPEAKER BENEFITS PROVIDED BY AAPL

The AAPL pays speakers \$2400.00 per day for their time and expertise for these reviews. This fee is paid for the one day of speaking, but please keep in mind that there are generally two additional days of travel (one day getting to the event and one day travelling home from the event). In addition, the AAPL is responsible for booking the lodging for the speaker at the host hotel, or closest hotel to the location of the event. The AAPL reimburses the following: Hotel expense, airfare (coach), rental car or Uber/Taxi, Mileage to and from airport (Current IRS rate), Baggage Fees and Meals. All reimbursements require receipts and are paid within 30 days of submitting.

TESTIMONIALS

"The course was just very helpful in general...I definitely would've failed without the course."

"All topics [from the Oil and Gas Land Review] were needed and valued."

"It was a great refresher for me."

SPEAKER EXPECTATIONS

The RPL/CPL reviews are scheduled a minimum of 6 months in advance and it is extremely important that you are committed to giving the reviews. The seminars will be divided up amongst the speaker pool. If you select a time to present, you must make it your top priority to commit to the event. Members rely on you and cancelling your commitment may be cause to remove you as a speaker. In the event of an emergency, cancellations are expected.

Once speakers are identified you will attend a minimum of two reviews to shadow one or more of our current speakers. After completion, your first review will have one of the experienced speakers present to assist should it be needed. All attendees take a survey at the end of the session to give feedback and those surveys are passed on to the speaker so they can identify areas of improvement.

Thank you for your time and consideration for this role within the AAPL. Please submit your application for review by Friday, November 1, 2019 for consideration.

See the last pg. of this newsletter for a copy of the instructor application!

COURTHOUSE ACTIVITY SCOUT

Introduction

To bring you this information, we go directly to the County Clerk's offices in the relevant county seats for all of the mid-continent's hottest plays and get a first-hand report on the activity and number of landmen in the courthouse from the preceding week. We then reflect this in a daily average value. If you follow this data weekly, you can identify up-ticks and down-turns in area activity over time and occasional spikes in the number of landmen trying to get into the vaults when something trendy is happening. If you would like to see any additional counties reported in the Courthouse Activity Scout contact J.M. Buster-Bradshaw at jbradshaw@paladinlandgroup.com.

Special thanks to **Gracie McRee** at Paladin Land Group for compiling this data.
