JUNE 2021 NEWSLETTER

LETTER FROM THE PRESIDENT

Dear TAPL,

"I hope this newsletter finds you and your loved ones healthy and happy!" That was how I started my first President's letter almost exactly one year ago, so it seems fitting to end on the same note. Hope you and your families are doing well! The outgoing and incoming Board members want to wish you all a wonderful, blessed summer. Thank you all for your continued support for TAPL! We are really lucky to have the Membership that we do.

Even though I knew this year's Board would rise to the challenge of a difficult year in the oil patch, this year's Board exceeded every expectation! If you get the opportunity, please join me in thanking this year's Board for all their time, effort and energy they gave TAPL this year. With everything you all had going on personally and professionally, you never missed a beat. It has been a blessing to serve with you guys and gals! So, to this year's Board and all the people that volunteered behind the scenes, THANK YOU!

And THANK YOU to this year's comprehensive sponsors and event sponsors! Without your support this past year, things may have looked very different. Because of your generosity and support, we still had a bunch of great events. Thank you for allowing us to keep events on the calendar and all the extra work many of you did behind the scenes! Hats off to the Events and Education crews for putting on awesome events and speakers this past year.

THANK YOU to the SEAM crew for all that you did and continue to do! All of the time that you've dedicated to TAPL this past year is greatly appreciated. And the many years before! You all are the best.

Have a wonderful summer everyone. Please reach out to me or one of the Board members if you need anything. Take care!

Sincerely,

Michael D. Schooley, CPL

TAPL President

CPL EVENT RECAP

TAPL hosted its annual CPL Night at GolfSuites on Thursday, May 6th, and the event went off without a hitch as usual! Several of our CPL members were able to attend the event and enjoyed a night of golf, networking, junk food, and libations.

We highly recommend that you obtain your CPL prior to next year's event if you are eligible. You do not want to miss out (again...)!

TAPL would like to thank our generous sponsors who made this event possible!

TAPL SPRING SCRAMBLE RECAP

TAPL hosted our annual Spring Scramble on Monday, May 10th at Indian Springs. The weather held off and it turned out to be a beautiful day on the course! I would say a good time was had by all.

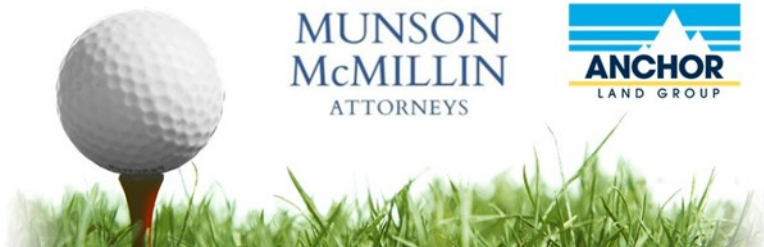

A huge thank you to all of our amazing sponsors who contributed to the Scramble. It has been especially difficult the past couple of years and your generosity is truly appreciated. Our Sponsors are 100% to thank for the success of not only the golf tournaments, but all TAPL events.

This Scramble was extra special because it was my last event as your TAPL Events Director. It has been such a fun, albeit stressful at times, two years. I couldn't have done this without the best mentor and committee who have done so much along the way, thank you, Mariena, Casey, Kevin, Tayler, Sharon and Rachel! I look forward to seeing how I can serve TAPL in the next two years once again!

Sincerely,
Kristina H. Barnes
TAPL Events Director

*Thank you,
Sponsors!*

TAPL MENTORING PROGRAM UPDATE

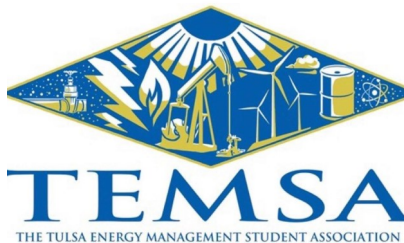

TAPL Members,

I wanted to provide a quick update pertaining to our TU/TAPL Mentoring Program. Obviously, 2020 was an anomalous year for us all, but I am happy to say that this wonderful program returned to some normalcy during the spring semester. For those of you that may be unaware, this program is designed to pair current TAPL members with Energy Management students at the University of Tulsa to assist them in their current academic/internship pursuits, as well as their career goals upon graduation.

We paired approximately 23 students with 16 mentors and held well attended events at McNellie's Pub and The Summit. Additionally, a handful of TU students made their way out to the TAPL Clay Shoot in February to assist and introduce themselves.

Safe to say, things are looking up, but we could always use more TAPL involvement. If you are interested in becoming a mentor, please contact me via email at cates.dustin@yahoo.com or on my cell at (918) 779-9968.
