LETTER FROM THE PRESIDENT

Dear TAPL Members,

Greetings everyone. Hope everyone is doing well.

We hope to see you at the skeet shoot on Friday, February 19th! Sounds like we'll see a lot of you, which will be a major breath of fresh air. Last time I checked, Kristina said we were almost to 100 shooters registered, which is awesome! Registration is closing this Friday, February 5th, so please register before the end of the week if you think you can make it. Hats off to Kristina Barnes for all of her hard work on this event! Should be a lot of fun. There are still a few sponsorship opportunities available for this event. If interested, please contact Kristina Barnes.

Many thanks to Greg Geist for booking such a great guest speaker for our January luncheon. David Ramsden-Wood, creator of the #hottakeoftheday, shared his thoughts about the current state of the industry and where things might be headed. Really thought provoking, interesting stuff. If you didn't get a chance to join us and you would like a copy of the presentation, please see the link within this newsletter. Our past two speakers have been awesome! Hoping to plug in another educational luncheon or two before the end of this TAPL year. Participation has been great and the cost is great too. Please keep a look out for updates about our Spring Educational Seminar. We know for sure it will be either at a different venue or virtual. Stay tuned.

Please check out our featured sponsors this month, Cimarex Energy Co. and Trinity Operating. Thanks to both companies for your support of TAPL! We really appreciate it! Brett Gwartney and his team over at Trinity really are a pleasure to work with. Just a really sharp, friendly, professional bunch. And possibly some of the busiest folks I know. Thank you to all of our comprehensive sponsors!

As always, if you have any questions, concerns, suggestions or otherwise, please reach out to myself or any of our Board Members. Take care.

Sincerely,

Michael D. Schooley, CPL
TAPL President

TAPL ANNUAL SPORTING CLAY SHOOT

This is the final week to register for TAPL's Annual Sporting Clays & Fun Shoot event! Registration will end this Friday, February 5th, for those wishing to participate in the clay shoot. The shoot is being held entirely outdoor and is scheduled for the afternoon of Friday, February 19th, 2021 at the Tulsa Gun Club located at 8802 East Mohawk Blvd, Tulsa, OK 74117.

The Board of Directors recognizes that our industry is currently facing tough times. Accordingly, we have decided to lower the registration fee for the event to \$75.00 for members and \$100.00 for non-members. If you are interested in attending this event, you can find the registration form [HERE](#).

Clay shoot not your thing? Join us for lunch only! This event is open to all members who would like to come eat lunch and network with their peers. Complimentary steaks will be served at one o'clock prior to the shoot. If you are interested in joining us for lunch, head over to the website event page [HERE](#) and register. Registration for lunch only will close at noon on Friday, February 12th.

Sponsorships for this event are also still available! If you or your company are interested in becoming a sponsor, please find TAPL's Sponsorship Packet [HERE](#).

We are very appreciative of the numerous companies and individuals who help sponsor our events each year. Your generosity continues to provide TAPL with the financial assistance it needs to offer first-class networking events such as this to its membership.

With great appreciation, TAPL would like to recognize the following SPONSORS below who have already generously committed to sponsoring this event!

Please feel free to email [Kristina Barnes](#), TAPL Events Director, if you have any questions about this event.

RECAP: JANUARY EDUCATIONAL LUNCHEON

On January 20th, 2020 TAPL held a virtual education luncheon featuring David Ramsden-Wood, the creator of the #hottakeoftheday! Our cost free and virtual event format made educational credits available to our membership in a convenient manner during these challenging times. David's presentation provided thoughts on the current political narratives we are facing and how those narratives impact the direction of our industry.

Thank you to all of our members who attended this event! For those who were not able to attend, feel free to download a copy of David's presentation materials by clicking [HERE](#). For more information about David, please see his biography below. If you would like to subscribe to David's podcast or newsletter, please visit his website at <https://hottakeoftheday.com/>.

Speaker Bio

David Ramsden-Wood was the Co-Founder and COO of OneEnergy Partners, which was successfully divested in 2018. The creator of the #hottakeoftheday, David began his career in energy as a Reservoir Engineer for Anadarko in 2001. Throughout his career, he has held roles across the analytical spectrum, including Completion and Production Engineering and Business Development.

One of David's key skillsets is his ability to analyze the flow of funds throughout the opportunity set and to interpret market trends which has led to the founding and co-founding of multiple oil and gas teams and entities. David is passionate about the future and face of the oil and gas industry, and the evolution of the Energy Industry as a whole. David's Daily #hottakeoftheday is seen by approximately 30,000 professionals and can be found on LinkedIn by following the # and is also now available at hottakeoftheday.com and podcast.

TAPL MENTORING PROGRAM

TAPL MENTORING PROGRAM

VOLUNTEERS NEEDED

TAPL'S Scholarship, Endowment, Awards, and Mentoring (SEAM) Committee is currently looking for volunteers who are willing to be a mentor for the TAPL and University of Tulsa Mentoring Program. The purpose of the mentoring program is to pair Energy Management students at the University of Tulsa with a land professional here in the Tulsa area in order to impact the next generation of land professionals, both during their education and after.

As a mentor, you will be asked to attend a monthly luncheon with your student mentee where you will network with other land professionals, meet their respective mentees, and get to hear from awesome guest speakers within our industry. In addition to monthly luncheons, you will be asked to meet with your mentee once a month outside of TAPL events. Many mentors in the past have used this opportunity to meet up with their mentee for coffee, lunch, or even to bring their mentee up to the office to show him or her the day-to-day tasks of a land professional.

The SEAM committee is also planning a happy hour (pending COVID) for mentors and their mentee to attend, in addition to many other fun events!

For the spring 2021 semester, SEAM and TAPL are excited to announce that **23** students are signed up for the mentoring program! TAPL has invited all 23 mentees to come out to the TAPL 2021 Clay Shoot on February 19th to meet their mentors and to network with the rest of the TAPL membership.

The SEAM committee is very excited for all we have planned for this program and feel this will allow TAPL to have an even greater impact on our community's future land professionals and local Energy Management program. While the Mentoring Program has already begun pairing students with mentors, there are still spots available! Should you still be interested in becoming a mentor, please reach out to Dustin Cates at dcates@paladinlandgroup.com.

Best Regards,

Tayler Peterson
